
The Naruto Kizuna Drive contains a new mission titled Shinobi World Wars, new unlocks for characters and costumes, and new gameplay modes. The game is available as a free download on PlayStation Network for users who own Naruto: Ultimate Ninja Storm Revolution. "Kizuna" means "bond" in Japanese. Naruto Shippuden: Kizuna Drive is a small downloadable update to the original NUNSR Revolution which was released on October 27th 2014 in Japan and Europe, with North American release following on November 18th 2014. The Naruto Shippuden: Kizuna Drive includes a new mission titled Shinobi World Wars as well as many other features such as costume unlocks and gameplay modes. The game can be downloaded free of charge; however, the gameplay modes and all costume unlocks are only available to players who own Naruto Shippuden: Ultimate Ninja Storm Revolution.

The game has received mixed reviews since its release. PlayStation LifeStyle stated that "'Naruto Shippuden: Kizuna Drive' is a must-have for fans of the series, but newcomers will likely want to tinker around with other similar titles first.". While Hardcore Gamer said "With so many uninspired fighting games on the market, it's hard to fault Bandai Namco for attempting something unique, but 'Naruto Shippuden: Kizuna Drive' should be given a pass. It received an aggregated score of 74/100 on Metacritic. PlayStation LifeStyle awarded it 7 out of 10 saying "The game is very repetitive, but the challenge of unlocking new characters, costumes, and gameplay modes is enough to keep most players engaged."

Producer Yoshito Harabuchi told Famitsu Naruto Shippuden: Ultimate Ninja Storm Revolution will not be released for PC. A PC version of the game has been rumored since its release on console. The developer plans to release expansion packs for console versions including Kizuna Drive this year.

The main theme for this game is sung by Kana Hanazawa. It was released on December 26, 2015 in Japan and Europe (September 28, 2016 in North America). It focuses on Team 7 and the events of the anime series The Last: Naruto the Movie . It was released for PC through Steam. A remastered version of the game was released for PlayStation 4 and Xbox One on March 3, 2017 in Japan and Europe (February 1, 2018 in North America). The remaster includes additional content such as new characters and costumes as well as a new scenario featuring Team 7. A Nintendo Switch version was released on April 26th 2018.

An enhanced version titled "Naruto Shippuden: Ultimate Ninja Storm Trilogy" has been released on PlayStation 4, Xbox One and Windows on February 5, 2018 in Japan and Europe (February 27, 2018 in North America). The game bundle includes "Naruto Shippuden: Ultimate Ninja Storm", "Naruto Shippuden: Ultimate Ninja Storm 2", and "Naruto Shippuden: Ultimate Ninja Storm 3 Full Burst". All three games have received new features including 1080p resolution support for "Ultimate Ninja Storm 2" and "Ultimate Ninja Storm 3 Full Burst". Additionally new downloadable content will be added to the game. The Japanese voice track is included for all three games.
